This is a revised edition of one of Kate Douglas's most memorable contemporary romances, originally published by Loose Id in 2004. It will appeal to fans of Susan Andersen and Susan Mallery.

Fashion designer Annmarie Weston is working under one of the tightest and most important deadlines of her career. Just when she gets her staff sewing at the perfect pace, a construction crew moves in to remodel the building next door, distracting her girls with their hunky bodies. The worse part is that every time the temperature rises, the guys take their shirts off and pretty soon even Annmarie gets lured into the enticing viewâ€¦!

Determined to put an end to the distraction, Annmarie confronts contractor Nick Marone and it isn't long before the two are spending way too much time locked in each other's arms, taking them both away from what they should really be doing.
