We do not have responsibility with missing file of this book.

Jewelry designer Ashley Craig snags an exclusive invite to the oh-so-posh Bella Florida Polo Club in order to "bump into" a world-renowned jewelry seller and wow him with her creations. Instead, she spies polo player Beckett Emery, who has a body designed to wow her....

The problem is that Mr. Polo-Playing Sexypants makes Ashley forget about her business proposal--as well as everything else that doesn't involve Beck being stark naked. What's worse, he might think she was using him to get access to the club. Can she keep up with her fancy charade...without Beck knowing the score?
